

# Tornado Drill

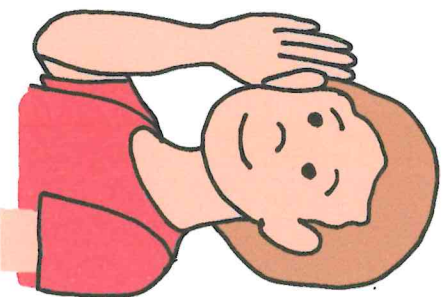

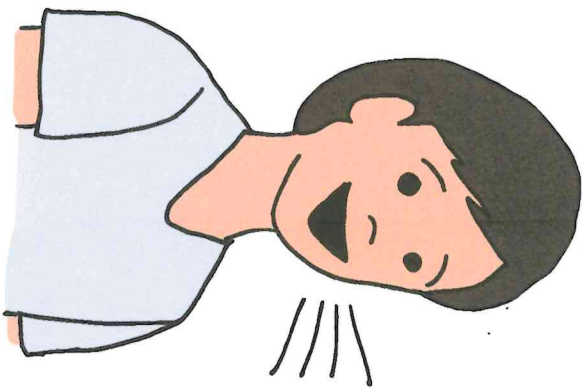

We can stay safe when  
we have practice drills.

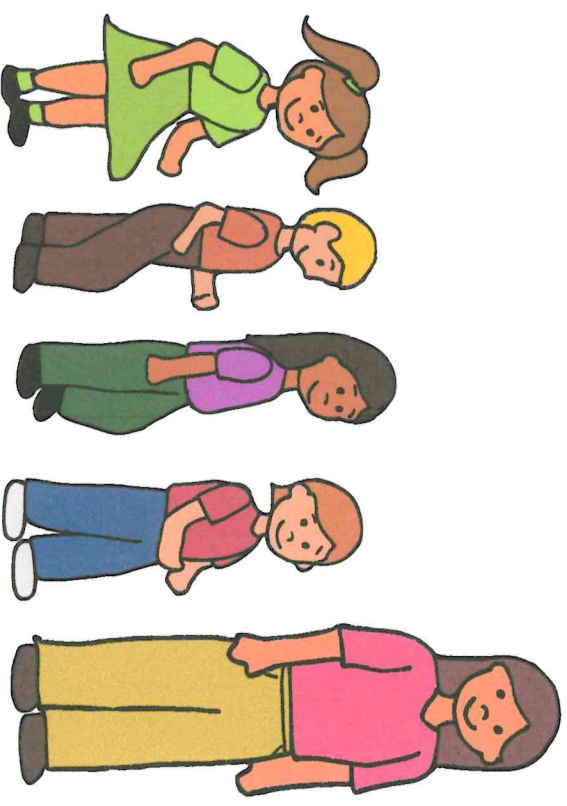

**Sometimes we have a  
tornado drill at school.**

**There will be an  
announcement to tell us  
we are having a tornado  
drill.**

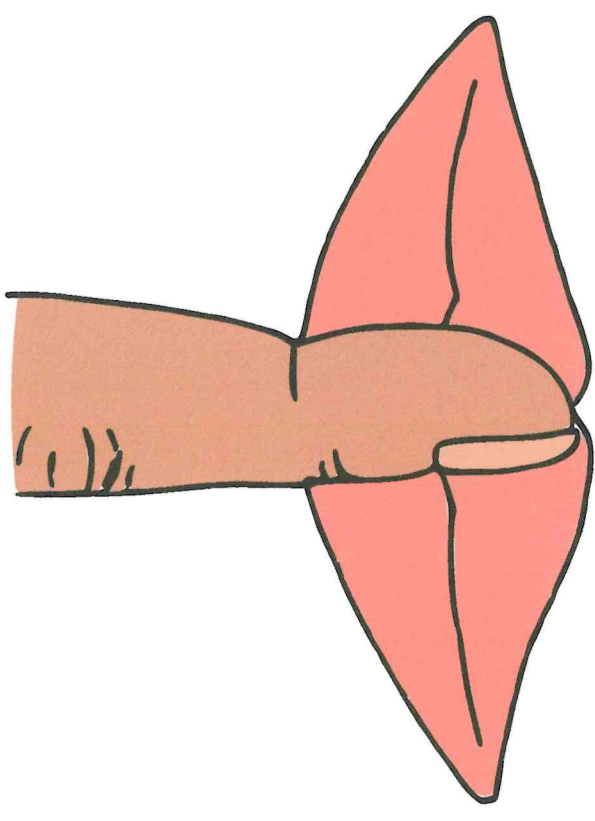

Our teacher will give us  
directions.

I will line up quietly and  
follow my teacher to the  
hallway.

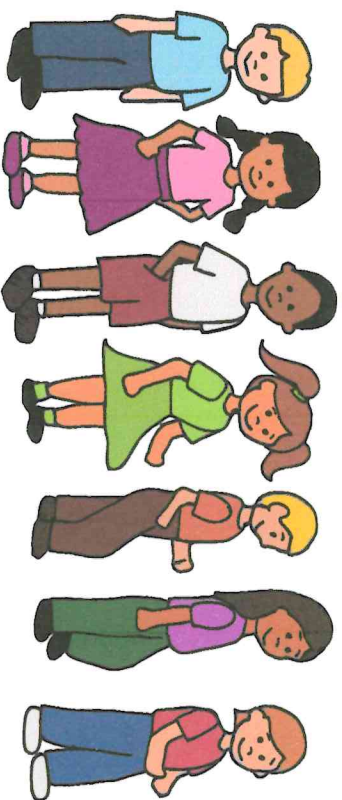

**I will kneel on the floor  
and cover my head.**

**I will stay quiet until my  
teacher says it is safe.**

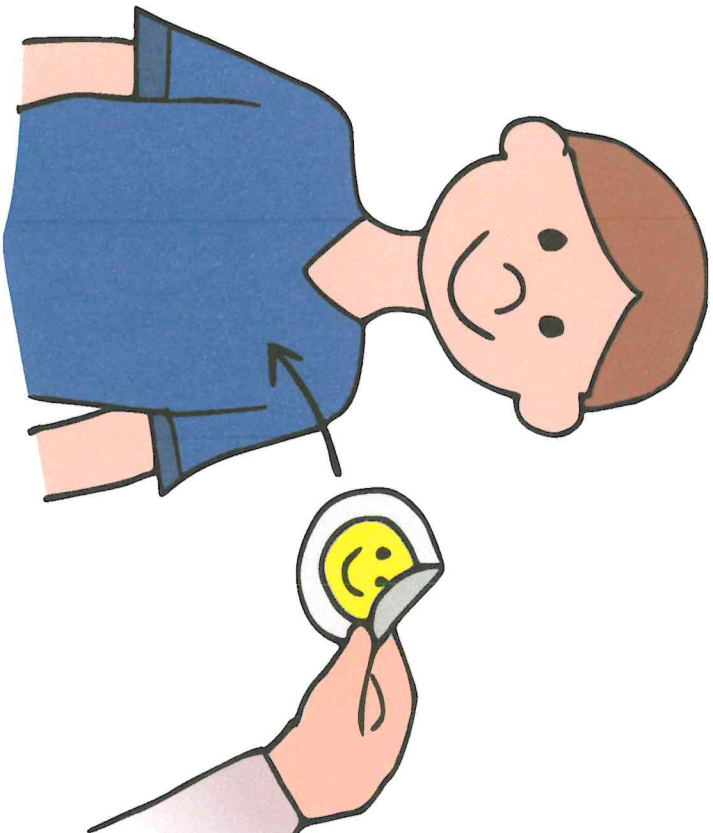

I will walk safely back to  
class when my teacher  
says it is safe.

When I get to class I  
will go back to the work  
I was doing.

**I feel proud of myself  
that I followed  
directions and stayed  
safe during the tornado**
