Students will be dropped off at door 18. This entrance is found off of the Ann Arbor Trail parking lot.

Breakfast & Lunch

Breakfast and lunch will be provided to students daily. If students prefer they can bring their own packed lunch.

Learning & Fun

Our goal this summer is to create a fun, supportive environment where students can learn through hands-on, engaging activities. In addition to academic enrichment, students will enjoy exciting electives like gym, art, and social-emotional learning. We'll also encourage participation in outdoor games, cooking projects, and team-building activities that spark creativity and collaboration.

We're looking forward to a summer filled with growth, exploration, and fun!
